The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is GRANTED and the matter is REMANDED to the trial court for an evidentiary hearing and renewed decision whether defendant appellant was denied the effective assistance of counsel. In the Court's opinion, effective review of the issues requires development of the factual record. The proceedings on remand are limited to the issues raised in the motion to remand.

The Court retains jurisdiction and the time for proceeding with the appeal in this Court shall begin to run upon issuance of an order in the trial court that disposes of the post-conviction proceedings.

Defendant appellant shall file with this Court a copy of any motion and supporting brief filed in the trial court within 14 days after the Clerk's certification of this order. Defendant appellant shall also file with the Clerk of this Court copies of all orders entered on remand within 14 days after entry. Defendant-appellant shall cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings.

The trial court shall hear and decide the matter within 56 days of the Clerk's certification of this order. The trial court shall make findings of fact and a determination on the record.

The time for proceeding with the appeal shall begin to run 14 days after the date this order is certified if the motion to initiate the post-conviction proceedings is not filed in the trial court within that 14-day period.
